# ABOUT US

*BESTILE provides a design sophisticated ceramics, with a concept of total quality, pursuing the complete satisfaction of the customer, guaranteeing our best design and innovation. Through the aesthetic creative and the high level in the manufacturing of all our products, in BESTILE have got get to households of all the world offering always the highest excellence of product. Bestile is living a consolidation period, that is a consequence of our latest efforts. Now, Bestile keeps on being pioneer and a reference, in innovative products and producing technologies. This consolidation is based on:*

- *Experience and control of the latest technologies for decorating. Agility to respond to new developments.*
- *Complete renewal of the products range, and continuous research of innovative products.*
- *Respect for the environment and collaboration with the society in which our activity is carried out, in a permanent exercise of social responsibility.*
- *Thanks to continuous research and development in new techniques and new collections, Bestile has been awarded three times with the prestigious prize ALFA DE ORO granted by CEVISAMA, the International Ceramic Exhibition (Valencia, Spain) 2008, 2015 & 2017.*
