Перед началом укладки плитки настоятельно рекомендуем скачать инструкцию по укладке и обращению с плиткой с сайта <http://cement-tile.ru/>

Мы рекомендуем укладывать плитку в соответствии с проверенными методами, а также консультироваться с профессионалами по укладке плитки.

Наша плитка традиционно производится вручную: каждая плитка уникальна, плитки могут несколько отличаться между собой по цвету.

Для достижения лучшего результата мы советуем выкладывать плиточный рисунок заранее и размещать между собой плитки из разных упаковок для достижения гармоничного сочетания цветов.

Плитка должна укладываться с зазорами в 1 или 2 мм. Для того, чтобы избежать ненужных повреждений, плитку необходимо укладывать после окончания всех остальных ремонтных работ.

Перед укладкой внимательно проверьте каждую плитку. Начав установку плитки вы признаете, что не имеете претензий к качеству продукции

Наша плитка может иметь разный цвет, вызванный естественным явлением пигментации.
